Ryan,

We will revert on Charleston dates.

Do you have mid to late April dates we can put to our structural expert? Please also confirm we can walk on the bridge.

Thanks,
Jim

Jim,

Do you have available dates for a tug inspection in Charleston as discussed?

We have confirmed availability for a bridge inspection in April or May, provided it occurs on a weekend and we get sufficient notice in advance to coordinate it. The inspection would be on the same terms as Carver's last inspection (safety briefing, PPE, and standard entry releases required).

Ryan
